About the Gulf Downstream Association

The Gulf Downstream Association (GDA) was established by its founding members from Saudi Aramco, Kuwait Petroleum International (KPI), Bahrain Petroleum Company (BAPCO), Kuwait National Petroleum Company (KNPC) and Abu Dhabi National Oil Company (ADNOC). GDA is a non-profit organization aiming to bring Downstream players together to further develop the industry and draw benefits from knowledge sharing and best practices. GDA's Headquarter is located at the GBCORP Tower of Bahrain's Financial Harbor.

Visit www.gda.org.bh for more information.

Vision

Become an internationally recognized association that serves as a catalyst for the strong and sustainable growth of the Downstream Industry.

Mission

Provide a platform for sharing knowledge, experience and best practices. This will be achieved by becoming a premier association in the region that connects the downstream companies, service providers, governmental organizations, and academic institutions.

GDA Founding Companies

About GDA Conference 2018

The GDA Conference is the leading Middle East strategic platform for Downstream professionals to address business challenges, share best practices and unlock potential opportunities through collaboration and partnerships. Striving towards excellence, this forum aims at engaging regional and international stakeholders across the business, academia and technology providers to capitalize on investment, innovation and growth.
